Increased Influence - Part 1

April 13, 2017

Devotional Time Questions:

Day 1: Read Joshua 3-4

What did God Show you or teach you as you read this passage?

Day 2

Read Joshua 3:1-4. What is the significance of God commanded Israel to follow God's Ark of the Covenant? How does this translate into the life of the believer?

God calls us to surrender ourselves to him, so we can see his power in our lives just like Joshua commanded Israel to set themselves apart for God in preparation to enter the Promised Land. In what area of your life is God asking you to give him greater influence? What can you commit to do today, in order to become obedient to God?

Day 3: Read Psalm 67

Read Psalm 67:1. Do you live with the expectation that God is at work in your life every day?

Pray that God will bless you, give you a greater personal vision, and increase your influence.

Day 4: Read Joshua 3:8-13

Pray and ask God how to use the influence you currently have to point people toward Jesus. What did He tell you?
